VLIPA KIRANMAI

Software Development & AI Enthusiast

📞 +91 9000177012 | 📧 kiranmaiulipe@gmail.com | https://www.linkedin.com/in/kiranmai-vlipa-6768b33a5

PROFESSIONAL SUMMARY

Aspiring Software Developer and AI Enthusiast with internship experience in full-stack development, strong academic performance (98.4%), leadership experience, and a passion for AI-driven product development. Interested in software engineering, artificial intelligence, and technology research.

EDUCATION

B.Tech (CSM) | G. Narayanamma Institute of Technology and Science (GNITS) | 2026Present

Diploma in Computer Engineering | Government Polytechnic for Women | **98.4%**

SSC | St. Ann's Girls High School | **93%**

TECHNICAL SKILLS

Programming: Java (OOP, JDBC, Exception Handling), Python (OOP, File Handling, ML Basics), C, C++, C#.NET

Web Technologies: HTML, CSS, JavaScript, React.js, Vite, Spring Boot

Database: MySQL, Joins, Subqueries, Views, Triggers, Stored Procedures, Normalization

AI & Emerging Tech: Machine Learning, Agentic AI (Basics).

EXPERIENCE

Software Development Intern | 6 Months

Worked on a Pay Updation System for a Central Government Organization.

Key Contributions

- Developed Employee Management, Administration, Authentication, Loans, Credits, Debits, Recoveries, and Report modules.
- Worked with Java, Spring Boot, JDBC, React, Vite, and MySQL.
- Contributed to Working Days Calculation and project documentation.

PROJECTS

Pay Updation System-Java, Spring Boot, React, JDBC, MySQL-based payroll and personnel management application.

Khams Pill Identifier-AI-powered medicine identification application using image recognition and computer vision concepts.

(More project included in portfolio)

ACHIEVEMENTS

- TS ECET Rank – **258**
- TS POLYCET Rank – **4779**
- Class Topper (Twice)
- State-Level Selection – NxtWave × OpenAI Program
- YFSI Level-2 Certificate for Impactful Idea Contribution
- State-Level Participant – Srujana Tech Fest
- Participant – Agentic AI Hackathon (TASK)
- Participant – Global Youth Founders Program

LEADERSHIP & ACTIVITIES

- Led an 8-member project team and managed planning, execution, documentation, and presentations.
- Organized multiple college events and technical activities.
- Delivered weekly presentations on AI, Quantum Computing, Cybersecurity, Software Development, and Women Entrepreneurship.
- Recognized by faculty for leadership, communication, and academic excellence.

CERTIFICATIONS

- Agentic AI Bootcamp.
- Artificial Intelligence Workshop
- YFSI Level-2 Certificate
- Srujana Tech Fest Participation

EXTRACURRICULAR

- Classical Dancer (TTD Certified Participation)
- Author of *Dear Young Dreamer* (90-page unpublished manuscript)
- Writer on women empowerment, leadership, and personal development
